

NOTE!!! - VERY IMPORTANT

In order to streamline our 2006 Supplemental Motor Vehicle and 2007 Grand List Tax Bill Printing Services we are initiating new procedures beginning with the 2006 Supplemental Motor Vehicle Tax Bill cycle. There will be a QDS user group meetings held at Gene's Corner House Restaurant on November 15th shortly after the Fall Collector's meeting.

Directions from the Aquaturf Club to Gene's Corner House Restaurant at 1219 South Main St. Plantsville, CT

Go left out of the Aquaturf Club parking lot

go approximately 1 mile (Route 10) and take a left on to South Main Street

go .1 miles to Gene's Corner House Restaurant on the Left

Please plan on attending this user group meetings to learn about our new bill printing procedures and their impact on your operations. Refreshments will be served.

Please note - Anyone not able to attend one of these meetings will be sent printed instructions regarding the new procedures.

Please tear off and post for your convenience

New News at QDS—Inside and Out

Moving In ...

Mary Jane Cavanaugh joined our Assessor Support Team. Mary Jane is from Torrington and a Certified Real Estate Appraiser and Sales Person. She has taken many courses in Real Estate practices and valuation at UCONN and CT Real Estate Academy and has an Associates Degree from Northwest CT Community College. Mary Jane has recently passed the CCMA 1a course.

Barry Siepmann joined QDS Inc. as IT /Technical Support . Barry and his wife have relocated from Florida back home to Connecticut. Barry comes with a wealth of knowledge in all aspects of hardware and software applications, he was working as System Analyst for the City of Sebastian Florida and prior to that a Computer Specialist for the Salisbury School. He has also supervised the Development of Curriculum at the Branford Hall Career Institute – a technical center that teaches Microsoft technicians.

Vicki, Mary Jane, Barry, and Christine (left to right)

Vicki Powell joined our Revenue Collection Support Team. Vicki comes to our company with over 25 years of Project Management Experience at IBM Corp., with the last 14 years as a Senior Project Manager managing 40 employees. At IBM she supervised, managed and deployed software and hardware for both internal and external clients. She also has experience with database design and administration as well as a background in Programming. In addition to her support functions she is also the lead for the QDS Process Documentation Team.

Christine Guiditta has joined our Revenue Collection Support Team. Chris lives in Wolcott and has worked for the Tax Collection and Assessor Offices for the Town of Wolcott for many years. She joins QDS, Inc. with an exceptional knowledge of Municipal office procedures as well as use of our Revenue Collection Software Applications (WinTax 2000 and Utility 2000) and our Assessor software (Assessor 2000). Chris has passed the CCMA 1a course.

Moving Up ...

Linda Gordon has been promoted to be the Quality Control Manager for the QDS products. Linda has been instrumental in the development of the QDS products and we are sure you all wish her the best success.
